

# In the event of your death, **how would your family cope** with the loss of income over time?

You know how important your income is in supporting your family today but it can be easy to overlook how they would be supported if anything happened to you.

Children's Education

Petrol & Travel Expenses

Household Utilities

For a relatively small cost, **you can put a life insurance plan in place** that can provide your family with the money they'd need following your death.

**Don't delay, talk to Eolas Money today about protecting you and your family!**
